## ACKNOWLEDGEMENT OF RISK AND WAIVER OF LIABILITY

We at La Plata Physical Therapy are doing everything we can to assure the health and safety of our patients and employees during the COVID-19 crisis. We are constantly checking for updates with the Center for Disease Control.

The World Health Organization has declared the coronavirus outbreak a global pandemic. Our government is highly suggesting that we practice "Social Distancing" in order to reduce the spread of the virus. Due to this suggestion, we are requiring all patients that choose to continue with therapy in our clinic agree to the following acknowledgement:

**With full knowledge of the facts and circumstances surrounding the COVID-19 virus, I voluntarily participate in my physical therapy treatment in the open floor practice and assume the responsibilities and risks resulting from my participation.**
